

Tour Walker Strap

W3902

A great choice for touring or getting out and about. This basic active style is long on comfort-- with dual adjustable straps for a just-right fit, soft full grain leather uppers and a cushioned EVA midsole.

Description

- Available Colors: Black, Sport White, White, White/Berry, White/Blue
- Full-grain leather upper with Nylux lining and twin-strap closure system
- External and internal heel counters with removable footbed
- Cushioned EVA midsole with herring-bone tread rubber outsole
- Medicare approved, A5500 coded

Vista Strap

M3915

The dual strap version of our classic Vista style, this all leather shoe delivers on comfort. It's perforated leather uppers offer breathability and the PU unitsole provides hours of superior cushion and traction.

Description

- Available Colors: Black, Brown
- Supple full-grain leather upper with mesh lining
- Padded collar and tongue with twin-strap closure
- Firm heel counter with removable footbed
- PU unitsole provides cushion, traction and durable wear
- Medicare approved, A5500 coded

LifeWalker Strap

M3705

A classic walking shoe with a slightly dressier look, offered in a double-strap version. The EVA midsole features a herring-bone tread rubber outsole for superior traction.

Description

- Available Colors: Black, Brown, Sport White, White
- Leather upper with brushed nylon lining and padded collar and tongue with dual-strap closure
- Firm heel counter with removable footbed
- Cushioned EVA midsole with herring-bone tread rubber outsole
- Medicare approved, A5500 coded

Scandia Strap

M5015

The same classic styling and hand-stitched construction featured in our Villager shoes make the Scandia Strap a smart and handsome choice. You can always count on this shoe for its extra roomy interior and for the added stability and comfort built into the PU outsole.

Description

- Available Colors: Black, Brown
- Supple full-grain leather upper with mesh lining
- Padded collar and tongue with single strap closure
- Firm heel counter with removable footbed
- PU unitsole provides cushion, traction and durable wear
- Medicare approved, A5500 coded

PedWalker 3

MPED3

Slip into comfort in this ultra-accomodating shoe that ensures a perfect fit with no binding or excessive pressure on sensitive areas. It features double depth insoles and a soft, neoprene vamp that stretches around your foot.

Description

- Available Colors: Black
- Combination full-grain leather and neoprene upper with mesh lining
- Padded collar and tongue with single strap closure system
- Rigid heel counter with double removable footbed accommodates custom orthotics
- Lightweight and supportive air infused rubber unitsole
- Medicare approved, A5500 coded

Mary Jane

W0029

The classic Mary Jane. It's simple styling, traditional design and basic colors make this an easy addition to almost any wardrobe. And don't forget-- it's comfortable, as well!

Description

- Available Colors: Black
- Supple full-grain leather upper with leather lining
- Rigid heel counter with removable footbed
- PU unitsole provides cushion, traction and durable wear
- Medicare approved, A5500 coded

Ladybug

W3232

This smart little t-strap offers a sensible and dressy alternative to a more athletic walking shoe. It features an adjustable strap on a full-grain leather upper with tear drop cut-out detailing. And it's double depth footbed offers extra volume for hard to fit feet--without ever sacrificing on style.

Description

- Available Colors: Black, Cayenne, Chestnut, Denim, Navy Suede, Oyster, Wine Suede
- Supple, full-grain leather with double removable insoles for customization
- Single hook and loop strap for additional fit adjustment
- TPR outsole for cushioning, traction and durable wear
- Medicare approved, A5500 coded
